Concise Statement of Facts/Complaint: * (This section must be completed. Attach additional information to this page if necessary.)

According to Care Specify notice under Docket 2013-275-WS, Carolina Water Service and Utilities Inc are not required to notify customers of increases. This is per their request and approved by the PSC.

Why would the PSC approve such a request is beyond us as it gives the company a free reign and leaves the poor consumers trying to figure out why their bill suddenly increased \$18.00 and no explanation. Nor did the company give any when called by this party. I spoke w/ several agents at Carolina Water and basically they told me that "we did not have to know and they weren't required to notify anyone."

Relief Requested: * (This section must be completed. Attach additional information to this page if necessary.)

Carolina Water and Utilities should be REQUIRED to notify all customer of type of increase by LETTER which explains clearly the reasons for increase, even if the reason is passing along pro rata.
